Course Registration
Information

7th GRADE CORE COURSE INFORMATION

Required Courses - Most students will be enrolled in Language Arts, Social Studies, Math, Science, and Physical Education/Health. Additionally, students can choose one elective per each semester.

Math Placement - There are three (3) levels of math available: Core Math 7, Pre-Algebra, and Algebra. Placement is based on a district matrix, grades, and district assessments.

Humanities – Students who are in the HiCap program will take two (2) Humanities courses in place of Language Arts and Social Studies. Students looking for the extra push of more challenging work may enroll in the class as space permits. Placement is based on test scores, grades, student self-selection, and/or Teacher recommendation. **Contact your counselor if interested in this option.**

Dual Languages – To help ensure that students are successful in a Spanish dual language setting, the Dual Language program is available for students who have been enrolled in a Dual Language program or who have a middle school level of Spanish proficiency. **Students who are interested in newly enrolling in the Dual Language program should contact the school counselor at Mill Creek Middle School.**

If you have any questions, please feel free to contact Mill Creek Counselor at Vaudery.Brown@kent.k12.wa.us.
